

SOUTHERN REGION VOLUNTEER COORDINATOR – ROTARY AUSTRALIA WORLD COMMUNITY SERVICES

RAWCS - Southern Regional Volunteer Coordinator May 2020 Report - Brad Quilliam

It has been an interesting past couple of months particularly since March 2020 with global restrictions due to the COVID19 pandemic, including the prohibit of national and international travel. This has meant that my role as RAWCS Southern Region Volunteer Coordinator has been made easy. Due to this predicament no RAWCS volunteer teams have been able to complete their planned trips in particularly travelling internationally and has also meant no proposed RAWCS projects are registering new volunteer teams. One of the positives that can be mentioned is most of the completed RAWCS volunteer teams have submitted the necessary documentations and final reports. There are a couple still outstanding that may require a follow up and a couple had been closed without final reports, which I am not sure why that is the case?
