

## District 9780 RAWCS Quarterly Report 11/5/2021

There has been no activity reported to me from District 9780 RAWCS projects this quarter. The Ryder Cheshire foundation facility, Klibur Domin in Timor Leste, which is supported by RC Mt Gambier Lakes was largely unaffected by the recent floods, although some of the staff members suffered some losses.  
District 9780 projects

29-2018-19: Solomon Islands National Referral Hospital Dental Clinic (RAOAF)  
5-2018-19: Legacy Club of Ballarat Family Camp (RACG)

43-2014-15: Dental Prosthetics Laboratory for Port Vila, Vanuatu  
24-2012-13: Vanuatu Dental Project  
49-2011-12: Renovate & Repair Clinic, Klibur Domin, Dili, Timor-Leste(Ryder Cheshire Foundation)  
128-2010-11: Support for Melanie Jewson Foundation, Port Vila, Vanuatu  
144-2005-06: Dental teams for Tonga Dental Health Project

### RAM

During this quarter due to COVID-19 there has been no international activity in the District. I have sent out notifications about the RAM video competition and Malaria Awareness Day activities, but have had no response from any of the Clubs in the District. I have also sent out the links to the Channel 10 malaria broadcast and Professor Mueller's presentation.

On a brighter note however, I have had notification of some significant donations from throughout the District; RC Kardinia \$1000.00, RC Grovedale \$400.00 and a generous personal donation of \$1000.00 from a District 9780 rotarian.

I have visited RC Portland and presented them with an appreciation certificate for a previous donation and while there I showed Professor Mueller's presentation. Instead of giving their guest speaker a gift, RC Portland donated a LLIN to RAM in the name of their guest. I also plan to visit RC Casterton at the end of June to show Professor Mueller's presentation.
