

RAWCS D9800 Quarterly Report
D9800 RAWCS Co-Ordinator: Lili Teichman
May 2021

Introduction

Attended RAWCS planning sessions at Cilcom Hotel – very informative and interesting. Great to meet in person and share with others.

Newest Projects - 2020-2021 – Descriptions

1. Community Outreach Rotary Kew (RABS)

- a. Due to the Covid-19 Pandemic and lockdown conditions in Melbourne, pressure has significantly increased on local community outreach services which have asked for additional support for the relief of poverty and misfortune for the marginalized in rooming houses, temporary Visa holders and homeless communities in the City of Boroondara. Working with Rotarians, BCO and local traders, CORK, plans to respond to these needs and make funds available to help provide sustainable food sources for feeding programs providing hundreds of meals each week, for masks and hygiene products, and to provide support for other outreach programs and transport as required through existing local organizations. Supplying food through local traders will also support businesses who have struggled through lockdown

Manager: Jill Forsyth

Deputy Manager: Pennie Cornwall

Sponsored by: Rotary Club of Kew, District 9800

2. Care For Nepal (RAOAF)

- a. To improve living standards of the impoverished families & communities in remote villages in Nepal by focusing on promoting leadership, empowering women, improving Education, Training, Healthcare, Water, and Sanitation & Hygiene, and encouraging Community and Business development. Rotary Passport Melbourne (RPM) will be working in partnership with the Rotary Club of Kathmandu to develop sustainable outcomes.

Manager: Lois Beckwith

Deputy Manager: Allison Troth

Sponsored by: Passport Rotary Club of Melbourne, District

Project#	Project Name and Description
45-2020-21	Albert Park Rotary Cares (RACG) Thirty-five aged homeless and socially insecure residents live in Port Melbourne at Wintringham Hostel. They pay 85% of their pension to live in the facility and struggle financially with hygiene products, clothes and some small items of furniture for their rooms. This club project will be filling the needs directly of the 35 residents through a strategic partnership with Wintringham management.
38-2020-21	Education and Community Development Baguia, Timor Leste (RAOAF) The provision of educational materials such as textbooks, stationary, IT equipment, sports equipment, school bags, uniforms, kitchen supplies and other general goods to support the students at Ensino Basico Central Sao Jose Baguia, Baucau, Timor Leste.
10 2020-21	Calanigan Elementary School, Province of Isabella in the Philippines – WASH (RAOAF) To provide The Calanigan Elementary School, in Barangay Calanigan, Municipality of Sto.Tomas, Province of Isabella in the Philippines. Water well, storage tank, water

	stations with filtration system, repair of wash area and existing toilets. Provision of clean water, training on sanitation, hygiene and water conservation.
8 2020-21	2020 Timor Rotary Consortium – WASH (RAOAF) The main focus of the project is for the installation of water tanks, roof guttering, pipelines from local springs to the water tanks and toilets in remote village schools and communities in the Baguia and Viqueque regions of eastern Timor Leste.
15 2020-21	Warringa Park School - Werribee South Campus (RABS) Provision of indoor/outdoor equipment, play equipment and various interactive educational games. This equipment will assist children with special needs to develop educational and development skills. Provide an E Learning table interactive [electronic screen touch table] and foam playground equipment.
23-2020-21	FORaMEAL – nutritious food to people in need within Australia (RABS) The project aims to prepare and distribute nutritious food packs, called FORaMEAL, free of charge to people in need within Australia who have been significantly affected by natural disasters like cyclones, floods, droughts, fire and pandemics etc. The food packs will be prepared by volunteers, including Rotarians from many Clubs. The food packs will be supplied to Rotary Clubs and other organizations who are involved in distributing aid in the areas where the disaster occurred. With the Covid pandemic currently in Australia, refugees & overseas students who are not citizens and have lost their jobs are in great need for food.
27-2020-21	Urgent Food Relief for Cambodians (RAOAF) Supporting the Rotary Club of Phnom Penh with funding and personnel when able, to support 100 families in 4 villages facing starvation due to the Covid 19 pandemic. These people are facing starvation after five months without income support because family members working in the tourism and garment industries in Phnom Penh and Seim Reap have been stood down from work, due to the lack of tourists and the immediate closure of the garment and clothing industries through lack of trade from overseas. The Club works closely with the commune chief to identify the families most in need.
32-2020-21	Maternity Kits for Sri Lanka (RAOAF) This project is to provide a complete set of supplies required by pregnant mothers who live below the poverty line in Sri Lanka. About 10-20% of pregnant women have insufficient funding to purchase the essentials such as, baby blankets, re-usable nappies, towels and baby clothing to take with them to the maternity hospital for their delivery.
55-2020-21	Community Outreach rotary Kew (CORK) (RABS) Due to the Covid-19 Pandemic and lockdown conditions in Melbourne, pressure has significantly increased on local community outreach services which have asked for additional support for the relief of poverty and misfortune for the marginalized in rooming houses, temporary Visa holders and homeless communities in the City of Boroondara. Working with Rotarians, BCO and local traders, CORK, plans to respond to these needs and make funds available to help provide sustainable food sources for feeding programs providing hundreds of meals each week, for masks and hygiene products, and to provide support for other outreach programs and transport as required through existing local organizations. Supplying food through local traders will also support businesses who have struggled through lockdown
72-2020-21	Care For Nepal (RAOAF) To improve living standards of the impoverished families & communities in remote villages in Nepal by focusing on promoting leadership, empowering women, improving Education, Training, Healthcare, Water, and Sanitation & Hygiene, and encouraging Community and Business development.
