RAWCS ROVER

Quarter 4. EASTERN REGION REGION NEWSLETTER

Coordinator's Message

Jan Pryor, Eastern Region Coordinator

The Novembers meeting is looking especially coastal being held at Old Bar. The highlights will be the guest speakers informing us about their many projects both locally and overseas.
Dinner will be a great time to sit and relax, enjoy the networking and make or renew connections.
See the flyer further in the Newsletter.

We have a very productive Eastern Region Supervisors and District Chairs. Their ongoing contributions are invaluable as we continue to strengthen RAWCS across the region.
RAWCS is on a significant trajectory of change as National works towards DFAT accreditation and registration, which will open opportunities for funding to be distributed to projects based on 80% of the funds raised by each project over the preceding 12 months.

I strongly encourage everyone to attend the online information meetings with Mahir to remain informed and updated on these important developments that will impact projects.
